ANNUAL EVENTS

NORTHWEST ARKANSAS KNOWS HOW TO CELEBRATE! IF YOU HAPPEN TO BE VISITING US DURING ONE OF OUR FAMOUS ANNUAL FESTIVALS, BE SURE TO STOP BY. ALL ARE WELCOME AND WE'D LOVE TO MEET YOU!

- **Bentonville Film Festival (June)**
 - A film festival co-founded by Academy Award-winner Geena Davis that focuses on diversity and inclusion in media. It brings Hollywood celebrities, directors, and fans to downtown Bentonville for screenings, panels, and events on the Square.
- **Bikes, Blues & BBQ (Late September / Early October)**
 - Northwest Arkansas is known for our Pig Trail. The world's largest charity motorcycle rally draws in hundreds of thousands of motorcycle enthusiasts for scenic Ozark rides, live blues music, and barbecue competitions.

ANNUAL EVENTS

- **Walmart NW Arkansas Championship (September)**
 - A premier stop on the LPGA Tour held at Pinnacle Country Club in Rogers. It's more than just golf; it's a week-long community celebration. It includes a 5k race, the "BITE NWA" food festival featuring local restaurants, and a women's empowerment summit.
- **Lights of the Ozarks (November – December)**
 - A massive holiday light display on the Fayetteville Square. While it's a season-long installation rather than a single weekend, the "Lighting Night" (the Friday before Thanksgiving) is one of the most attended community events in the region, featuring a parade and over 400,000 lights.

BIKING

Often referred to as the Mountain Biking Capital of the World, Northwest Arkansas is a premier global destination for cyclists of all disciplines. This title is anchored by an unparalleled network of over 500 miles of world-class singletrack and the 40-mile paved Razorback Regional Greenway, all woven through the breathtaking landscape of the Ozark Mountains.

- **Coler Mountain Bike Preserve**
 - Tucked into a scenic valley just west of downtown Bentonville, Coler Mountain Bike Preserve is a purpose-built "cycling sanctuary" that offers roughly 20 miles of diverse trails. The centerpiece of the park is "The Hub," a massive steel-and-wood structure perched at the highest point, which serves as the launchpad for three world-class downhill runs ranging from flowy jumps to technical rock gardens.

HIKING

While Northwest Arkansas is famous for its wheels, it is equally a paradise for those on foot, offering some of the most scenic and diverse hiking in the central United States. The region serves as the gateway to the Ozark National Forest and the Buffalo National River

- **Hawksbill Crag:**
 - The 3-mile Whitaker Point hike leads to Hawksbill Crag, an iconic overlook offering breathtaking views of the rugged Buffalo National River wilderness. Its a fairly easy hike.

PARKS

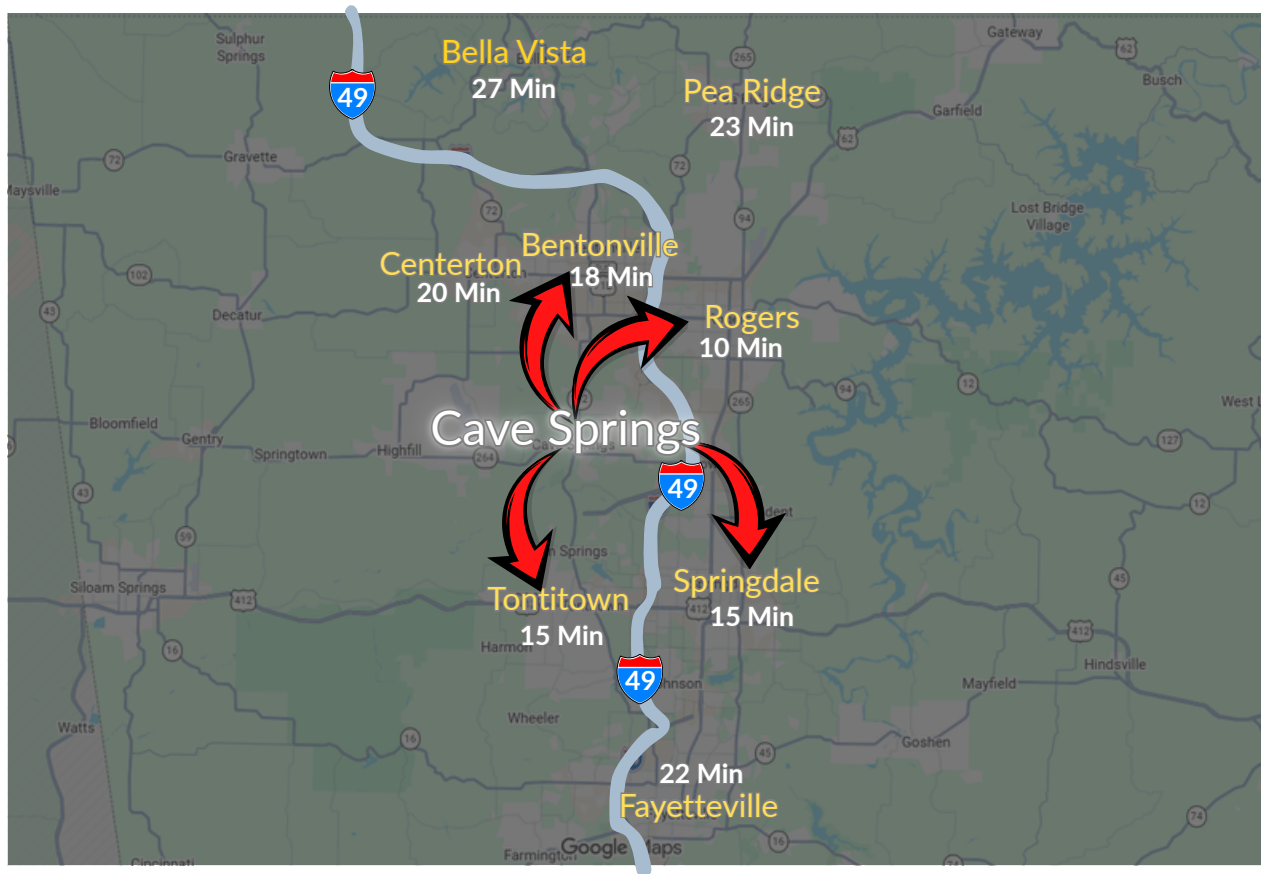

If you're looking for somewhere to relax the afternoon away while the kids burn off some energy, you are going to love our parks. There are so many parks throughout our area, but these are our top three favorites:

- **Crystal Bridges Trails & Grounds:** More of an outdoor museum than a traditional park, the 120-acre grounds feature over five miles of trails that weave past world-class sculptures, spring-fed ponds, and the stunning architecture of the museum itself.
- **Hobbs State Park-Conservation Area:** Arkansas's largest state park, Hobbs is unique for its "Monument Trails"
- **Siloam Springs Kayak Park:** Located on the Illinois River, this is the only park of its kind in the state. It features engineered rapids (Class I and II) that allow for year-round kayaking, canoeing, and river surfing.

AT THE HEART OF IT ALL

Ideally positioned in the heart of NWA, Cave Springs offers unrivaled access to Bentonville, Rogers, and Fayetteville. Enjoy small-town charm with the region's most convenient, central commute.

We absolutely love living, working, and playing in Cave Springs. We moved our family to Cave Springs six years ago and never looked back. From the ample amenities to the strong sense of community, there is nowhere else we'd rather call home. We hope you are able to enjoy some of these local hotspots and that you love our area as much as we do!

If you are considering a move to Cave Springs, we would be honored to be a part of your journey.
